September 2011

Dear Luther Point Ambassadors,

Greetings! Well, we find ourselves in a "season" change at Luther Point. Another wonderful summer of camp has just ended and we are gearing up for our busy fall and winter retreats and events. We really did have an amazing summer of outdoor ministry. Our staff did a fantastic job of keeping the campers safe, modeling a life of faith, and providing a fun and meaningful experience. Through the power of Christ present in this ministry, youth from your congregation experienced something truly transformational. Thanks be to God for providing such a wonderful opportunity. Camp and the entire community supporting camp is a privilege that we certainly do not take for granted. Thank you for your support. I pray that we would be able to continue to partner together to help campers of all ages experience God's ministry at Luther Point.

We have many exciting retreats and events coming up this fall. Take some time to look through the info in this newsletter and to promote these happenings to the individuals in your congregation. Your role as an Ambassador is vital in continuing to strengthen the connection between camp and congregation. Together we can continue to live out God's calling as partners in mission.

Grace and Peace,  
Jesse Weiss  
Program Coordinator

## IMPACT365 Is...

...a team of young adults who are devoting their year to ministry at Luther Point and in your congregation.

All of the team members have previously worked on summer staff at Luther Point and are ready to bring that same energy and enthusiasm of the summer camp experience to everything they do.

The ministry of the team is about more than just promoting camp - it's about being a resource for youth and family ministry. We realize that camp doesn't have to happen at camp and we want to be able to share the same relational and engaging ministry experiences of camp with you!
