

GET CREATIVE WITH VBS DAY CAMP..

IT'S NOT JUST FOR KIDS ANYMORE!

FAMILIES!

JR. HIGH!

SR. HIGH!

GRANDPARENT/GRANDKIDS!

EXPLORE NEW OPPORTUNITIES!

Love the idea of having us come out to lead your VBS Day Camp but are worried about parent schedules, having enough participants, or cost? Worry no more! Consider these:

- What if kids bring their grandparents during the day?
- What if the Jr. or Sr. High kids gather in the evenings for games, devotion, and campfire?
- What if families come in the afternoon and experience time together?
- What if you do any of these in addition to your regular VBS Day Camp?

How does this help me, you ask? Great question! There are many great ways this can help your congregation and community:

- Increased programming to attract *more* participants
- Opportunity to foster intergenerational ministry
- Engage Jr. and Sr. High youth in their faith during the summer
- Get more bang for your buck!

Our VBS Day Camp team comes equipped to lead a combination of programs throughout the day! Interested? Give us a call!
